

imagination playground medium blocks™

Imagination Playground Medium Blocks™ is a kit of parts suitable for use in a classroom setting and a variety of indoor and outdoor sites that provide children the opportunity to engage in open-ended, free play. The set of Imagination Playground Blocks consists of 15 different shapes, and are available in a vibrant shade of blue. Imagination Playground is made out of waterproof foam, the blocks are resistant to mold, mildew, corrosion, and microorganisms. Introducing breakthrough technologies, these highly durable parts can be recycled if desired; please contact Imagination Playground for more details. Lightweight durable bags sold separately.
