

imagination playground mix block set

Imagination Playground Mix Blocks is a kit of parts suitable for use in a classroom setting and a variety of indoor and outdoor sites that provide children the opportunity to engage in open-ended, free play. The set of Imagination Playground Mix blocks are a combination of our Big Blue Blocks, our Medium Blue Blocks, and our Connector Blocks. The set of 75 consists of 17 different shapes, and are available in a vibrant shade of blue. Imagination Playground is made out of waterproof foam, the blocks are resistant to mold, mildew, corrosion, and microorganisms. Introducing breakthrough technologies, these highly durable parts can be recycled if desired; please contact Imagination Playground for more details. Lightweight durable bags sold separately.
